## Chief Matt Robson

Good day my brothers I hope that you have had a great holiday break and are ready for things to get moving again. This year we as a chapter hope to do many great things as far as getting a ceremony's team ready for tap outs by spring pow wow. I also hope that our numbers continue to grow that they have that the last few meetings. Some-

thing else that would be good is seeing more of your ordeal members coming and see that being in the order of the arrow is not all hard work. Lets try our best to show them that being with us can be both fun and a way to learn new skills and get to0 meet and learn about different people. So my brothers I hope to be able to welcome you all

at the meetings and all the events this year. If you have any questions

Feel free to either call or email me if you have any questions and I will do my best to help you out.

## V/C Program Patrick

My goals for the chapter are that in the next couple of months I would like to have 2 ceremonies teams both tap out and pre-ordeal, to improve attendance in

chapter meetings and to improve the chapters involvement in the lodge. My hope for the chapter is that we get more involvement from the troops and to have a Troop representative

from each troop.

### Happy New Year Natisihi Chapter !

Welcome to our first newsletter. I hope you enjoy it.

Our chapter has big plans for the next several months

Patrick Duncan v/c of program is busily working on getting our ceremonies team up and running and doing a great job

Now in progress is our election team run by VC of Administration and Advisor team of Dan and Reilly Papp. They have been doing this job for the past couple of years. They show a CD that was put together by Greg Carpenter Advisor for Communication, Aaron Hammond friend and past Advisor and also past Chapter Chief Bud "light-year" Yeager Dan and Reilly visit and

discuss what Order of the Arrow is about . If the Papps haven't gotten in touch with you and you are ready for your troop tap out please call. The CD that Dan and Reilly Papp talk about and show is giving to each new brother after they have completed their ordeal. It has the history of the Order of the Arrow chapters information whose who. Graham Hawes V/C of communication is the new kid of the block. He has fit in right from the start. Will Halligan V/C of Finance also works in the lodge level and we are glad he has found time to work on the ceremonies team with us. Last but not least is Matt Robson Chapter Chief. Matt has found a fundraiser But its amazing how no

one wants us to use their building. Or if they do they charge us more then what we would make. . Has this dampened Matt's enthusiasm for a fundraiser-No its made him stronger and determined to get it done. He will succeed! Matt to is on the ceremonies team. Carole Nicely and David Williamson Co Advisers for the chapter try to guide the young V/C to think for themselves. We hope they will be our next leaders in the chapter. Our goal is to see the Natisihi chapter grow and expand into a dance team

## Order of the Arrow Troop Representative

An Order of the Arrow Troop Representative is a youth liaison serving between the local Order of the Arrow lodge or chapter and his troop. In his troop, he serves as a communication and programmatic link to the Arrowman and adult leaders and Scouts who are not presently members of the Order. He does this in a fashion that strengthens the mission of the lodge and purpose of the Order. By setting a good example, he enhances the image of the Order as a service arm to his troop.

## OA has been referenced on TV shows WHAT show?

The Order of the Arrow has been referenced in two episodes of King of the Hill. In episode three of season one, titled the Order of the Straight Arrow, Hank Hill initiates Bobby into an organization named the Order of the Straight Arrow. During the "ordeal" the candidates are asked to maintain silence, and go on a snipe hunt, which ends poorly for the characters in the episode. The episode clearly parodies Order of the Arrow traditions; however, the meth-

ods utilized by the characters in the episode amount to hazing and would be considered inappropriate at anytime during the OA induction process.

In episode 242 (Season 13) the Order of the Straight Arrow returns as a plot element to King of the Hill. When the Cherish family moves into town, the patriarch of the family (Wesley) seeks information about the local chapter of the Straight Arrow. Hank works with

the Wesley Cherish as co-Arrowmasters to rebuild the extinct chapter. While both episodes include references to the Order of the Arrow in the title, the first actually parodies the OA ordeal, while the second strays from the Order of the Arrow's activities, and more accurately describes an a group similar to a new scout troop.
